

**While we encourage you  
to have fun playing  
the games you enjoy,  
we also want you to play  
responsibly. Most players  
do just that, yet we  
understand that you,  
or someone you know,  
may have a problem.  
And we'd like to help.  
There are established  
programs that have proven  
successful for many people  
with gambling problems.  
If you suspect you or a  
loved one has a gambling  
problem, please call  
this 24-hour hotline today.**
